This Authority hereby permits the use of the above pipes in fresh water plumbing systems subject to full adherence to Waterworks installation requirements.

A condition of this acceptance is that the pipes to be installed should be replicas of the samples as certified by the testing agent mentioned above and without modifications. This acceptance may be withdrawn at any time if the standard of the pipes installed fails to meet that of the approved samples or if the pipes are found to be unsuitable for use in fresh water plumbing systems.

For the use of the pipes in any project, the General Acceptance Number of this letter must be quoted as a means of identification of acceptance of the pipes by this Authority.

Should you have any enquiries, please contact our Engineer Mr. Terry KUNG at tel. no. 3583 4086.

Yours faithfully,

(CHAN Chung-kun)

for Director of Water Supplies
