Proviso: The pipes can only be used in fresh water fire service systems.

This Authority hereby permits the use of the above pipes in fresh water fire service systems subject to full adherence to Waterworks installation requirements.

A condition of this acceptance is that the pipes to be installed shall be replicas of the samples as certified by the testing agent mentioned above and without modifications. This acceptance may be withdrawn at any time if the standard of the pipes installed fails to meet that of the approved samples or if the pipes are found to be unsuitable for use in fresh water fire service systems.

For the use of the pipes in any project, the General Acceptance Number of this letter must be quoted as a means of identification of acceptance of the pipes by this Authority.

Should you have any enquiries, please contact our Engineer Mr Albert CHOW at tel. no. 3583 4086.

Yours faithfully,

(CHAN Kwok Leung, Douglas)
for Director of Water Supplies
